

# STEP #3 (of 3-STEP Prep): Building — Top-Tier Employment Certification

**A Ys-Guide** > On the Road to building a Top-Tier **Employable Persona** for America's "Age of Automation" (2012–2072) > that can be validated by a **Degree of Competence**.

**How-To**  
Become Recognized,  
Recruited and Rewarded

Enhancing  
and optimizing  
your intellectual  
capabilities >

The least you  
need to know  
to get where  
You want to go

Elon Musk just intro-  
duced Tesla's Bot "Optimus".

The most immediate and hardest hit profession will be U.S. Education/Schooling with its "Echoes of the Past" parsed/encyclopedic curriculum taught to the tune of the 3Rs (Rote, Regurgitate, Replicate) while dancing the CCG Step > "Conform and Comply or Goodbye".

## DISCOVER the 16 Core Capabilities...

32 Weeks (16 Topics) > One 2-hour Mentored Session  
+ 2 DIY Sessions/week > to Financial Security

Teaching is  
the only profession

— with the exception of Prostitution —  
that has had no productivity increase  
in 3,000 years — since Moses gave the  
World its first textbook (1300 BC)  
> Until NOW!

- **GOAL STATEMENT:** To gain a strategic advantage in obtaining Top-Tier employment during America's A.I.-driven Age of Automation (A Collaborative Cluster is an ad hoc "Ensemble", not a Team.)

Apple's iPhone  
debut was in 2007

and is now in its 15<sup>th</sup> Generation  
> that has included 84 updates.  
There should be a message  
here! Is anyone paying  
attention.
